2012

Principal's Page

This is my sixth year as Principal of The Lake Primary School and it gives me great pleasure to welcome you to the 2012 version of our School Magazine. Once again it has been a busy, exciting and productive year jam-packed full of memorable events and educational opportunities. My congratulations to Ms. McNair, Mrs. Bacon, staff and students for their excellent contributions in compiling a great keepsake to cherish and reflect on another successful year for our school.

Ms. Kathryn Arnold commenced in her first teaching role in 1/2A and we welcomed back Mr. John Bell who returned to the school in a new role as a Specialist ICT and P.E teacher. 2012 saw 43 new Prep students commence their exciting journey at our school. Enrolments increased to 187 with nine full-time classrooms. The new school year also heralded a new class structure with an enhanced unit approach. Positives arising from this change were quickly evident as students made new friends in their multi-age classes and teachers shared the curriculum planning workload with supportive colleagues. Opportunities were also increased for additional team teaching and utilising the expertise of staff. Mrs. Bacon continued in the important role of Business Manager and was capably supported by Ms. Elissa Pender and Miss Toni Hamence. The After School Hours Care Program continued to be a popular service for our students and parents and nightly numbers increased to between 25-30 students. Mrs. Lina Dichiera and Miss Toni Hamence were pivotal in the success of this year's program. Miss Toni once again excelled in a number of supportive roles with the highlight being the fantastic performances of our 3/4 and 5/6 choirs at the annual Mildura Eisteddfod. The 5/6 choir was awarded first place and also received the Charlotte M Harvey Memorial trophy for the best performed choir—an outstanding achievement! Ms. Georgia McNair coordinated the Mildura Show entries, where we once again 'scooped the pool.' Mr. Bell capably organised enjoyable Cross Country, Athletics championships and the annual Swimming program. Mrs. Eckert continued her valued work in Reading Recovery and Indonesian and coordinated the Library with great care and diligence. Ms. Kerridge continued her capable work coordinating the Allergy program and First Aid organisation. Mrs. Libbie McBain continued her enthusiastic work as our Audiblox Instructor. Mrs. Walsh has been an excellent Leading Teacher and competent Literacy Coach and staff mentor. Mr. Field has done some excellent work behind the scenes as the OH & S coordinator. Mrs. Zeppel, Ms. Arnold, Miss Moulds, Miss Aghan, Mrs. Wade, Mr. Baker and Mrs. Kelly contributed productively as part of the staff team and in their respective classroom teaching and leadership roles.

Our school embarked on an extensive School Review and it was reaffirming to receive the highly positive feedback about our school's effective operation. A major upgrade to the Car Park, additional paving and new garden borders in front of the office were worthwhile projects in 2012.

My congratulations to our fantastic students who are great ambassadors for our school. Highlights in 2012 have included noteworthy performances at our annual 'Lakes Got Talent' Variety Concert, attaining first place in the Cluster Athletics Sports at Kenny Park, numerous excellent achievements in the sporting field, fun and exciting camps to Ballarat (Yr. 3/4) and Lake Cullulleraine (Yr. 5/6). The JSC have organised a number of worthwhile fundraisers including supporting the Wheatley family. The Family Maths Evening was popular and the students enjoyed the Spud Olympics, NAIDOC Day, Indonesian and Book Week Activity Mornings, Allergy Awareness and Footy Colours Day.

My thanks to our supportive Parents' Club and School Council for their contributions and fundraising efforts. Rachelle Hollingworth not only coordinated a new weekly Parents' Leisure Program but was integral in organising the School Ball Major Fundraiser generating a commendable \$10,000 profit. This allowed the school to purchase 20 new iPads which were introduced seamlessly into classroom programs.

Finally my sincere thanks to all students, staff and parents for their interest, contributions and support. Best wishes to our 20 Year 6 students as they move onto their secondary destinations. Best wishes also to all families leaving our school community. We have a great school and I look forward to the school community expanding to approximately 210 students in 2013.

-Rod Pearce, Principal

School Leaders

School Leaders

Being school captain has been fantastic. I've enjoyed every second of my role. I got to read out the awards at assembly, thank guests to the school, hang wreaths at war memorial services (which didn't go too well but was I was still very honoured) and participate in various other activities. I've been able to build my confidence and become more socially connected with all my peers. I just want to thank everyone who voted for me as school captain. It really changed my leadership abilities dramatically and I really wish the best of luck to the new school leaders in 2013.

Ellie Maiorana, School Captain 2012

It was an honour being school captain because I got to read out the awards every Monday and I also went to the ANZAC Day March and the Remembrance Day Memorial. Being school captain has improved my talking skills because I used to be shy and quiet and now I am talkative and more confident. I hope the next school captain has a good time like I did.

Brandon Pollifrone, School Captain 2012

The best part about being school vice-captain is you get to participate in activities such as Remembrance Day, ANZAC Day etc. I feel being a school leader has increased my confidence level by a lot. I love being a school leader because you get to interact with the younger students. I love being a school leader.

Kadiesha Dowdy, Vice Captain 2012

It has been great being school vice-captain because I got to do speeches at assembly and other fun stuff. You also get your name up on the school captains board. We also make speeches when we go to places. We have to do special things such as attend ANZAC Day and Remembrance Day. We all have to do an important job in the school because we are the big leaders.

Lachlan Cavallaro, Vice Captain 2012

From our School Council President

2012 has been an exciting year of change and achievement at The Lake Primary School.

Our second School Fundraising Ball was once again a great success. The \$10,000 raised, funded the purchase of 20 iPads, which have been great learning tools for the students.

The school car park received an “Extreme Makeover” at the end of term 1. The area is now much larger, and most importantly, safer for our kids. Asphaltting of the area will occur in stages over the next few years. The school entrance has really been beautified by the addition of the new paved areas and seating around the garden beds.

This year the school underwent an extensive review process. The reviewer praised the teaching staff for outcomes achieved in all key areas, especially the improvements in the Literacy program. Our NAPLAN results are very encouraging and provide further endorsement of the quality teaching provided at The Lake Primary School.

Congratulations to Rod on receiving a 5 year contract extension. This is great recognition of the passion, tireless work, and fantastic leadership Rod provides our school - Keep up the good work Mr Pearce!

I would like to thank all staff, parents and students for the hard work they have put in over the past 12 months. I would also like to thank school council members, parents’ club members and parents who have volunteered their time to contribute to the school.

Finally, I would like to say “Congratulations and Good Luck” to our Grade Six graduating class.

Craig Hollingworth – School Council President

From our Parents’ Club President

I took over from Desilee Farr as President of the Parents’ Club this year. With her help and the help of the ladies in the office, 2012 has been a great year. This year we have raised over \$20,000. We purchased a dishwasher for the multi purpose room, take home books for students, a cover for the new sand-pit and toys for the kids to play with and we helped fund the paving in front of the multipurpose room. We are also looking to purchase a classroom set of furniture for next years 1/2 unit. With the help of our wonderful parent volunteers we had a Bunnings BBQ and a very successful pie drive. Our Wednesday food days continued to be a big hit with the students. Our Easter, Mothers’ Day, Fathers’ Day and Christmas raffles, as well as the Mothers’ and Fathers’ Day stalls were also well liked by the students.

I would like to thank all the hard working parents that have helped throughout the year and the committee and members of the Parents’ Club that made it enjoyable to undertake all our fundraising activities. Thanks for a great year and all your support throughout 2012.

Mandy Cavanagh—Parents’ Club President

SOCRATIC CIRCLES IN 3/4 W

In Socratic Circles we all read the same poem or song. Then we get into two circles and take turns in talking about the poem or song.

We give each other feedback on how we discussed the text and we reflect on how we discussed the text.

Socratic Circles are great fun!

A man called Socrates invented Socratic Circles.

Inquiry

in Grade 3 & 4

We work cooperatively together to solve problems and do our work. We work in different groups. Sometimes we work with our friends sometimes we work with people we wouldn't normally work with. We work in different sized groups. Working with our friends is fun and so is working with different people because we learn about different people.

My name is Oscar and I play soccer for Mildura City Soccer Club. I have been at this school for seven years. I have a library of comic books in my bag. :D

I am Brock Adcock. I am 13 years old. I have been at this school for three years. I have made lots of different friends in those years but now they have all gone to high school. I am in year six. I have 4 friends but I have to leave them to go to high school. Then they will come to high school.

Hi my name's Nikkia I am 11 and I love music. I like all my friends and my favourite song is "Battle Scars." I have about 6 pets (about 100 fish 2 cats 2 rats 1 dog) I also like shopping, cooking, hunting, sport and partying.

My name is Sam Green. I love playing sports like basketball and football. My basketball team is Alcheringa Saints and my football team is Merbein Magpies. My favourite hobbies are riding motor-bikes, riding my bike and practising basketball.

I am Brooke Smart and I am in year six. I am heading to high school next year. I moved to Mildura two years ago. I really enjoy my time being in Mildura. I love to hang out with my friends and family.

I'm Nicolette Zappia and I've played for 3 netball teams. My friends call me Micky. I have two dogs. Their names are Buddy & Sparkles. I love my friends because they all look after me and I look after them. I love my life because I have the most caring people in it.

I'm Brock Stevens and I love basketball and football. I also love riding my bike because when I'm older I want to be an Olympic cyclist.

Hi, my name is Jackson Pollifrone. I am 11 years old. I play soccer for Mildura City and my uncle is the president of the club. I play right back. I do a pretty good job of it. I like going outside and playing cricket and I don't mind a race. I am very creative and smart and my favourite subject is P.E. I like going to school in the morning and learning more things about my favourite subjects. My teachers are Mr Field, Miss Aghan, Miss Toni and Miss Pender.

My name is Darcy Finch. I am 11 years old. I am funny and I have lots of friends. I am also confident and sometimes take a risk and work stuff out. This school is the greatest.

My name is Abigail Churches and I am 12 years old. I enjoy netball, roller skating and swimming. My favourite subjects are reading and art.

My name is Ella Clair Wilkie and I am 12 years old. My eye colour is blue and my hair colour is blonde brownie. My favourite meals are fettuccini carbonara and gnocchi. The desserts or treats I like the most are lemon slice and hedgehog. I like singing and dancing and I do singing lessons. I don't like all vegetables, dogs or birds. I have seven chickens.

My name is Breeze Simpson. I am 11 years old. I love to play cricket and ride motorbikes. I am a tomboy. My favourite colour is Aqua. I love being a tomboy. I have brown hair and brown eyes. I am funny. I have heaps of great friends. I have lots of brothers and sisters. I love animals. My favourite football team is Geelong Cats.

I'm Kadiesha Dowdy. I'm 12 years old and I'm in year 6. I love netball and volleyball because both require teamwork. My favourite subjects are Maths, English, PE, LOTE and ICT.

My name is Chiara and I love to go horse riding and play soccer. My favourite thing to do is go outside and go in the pool and swim.

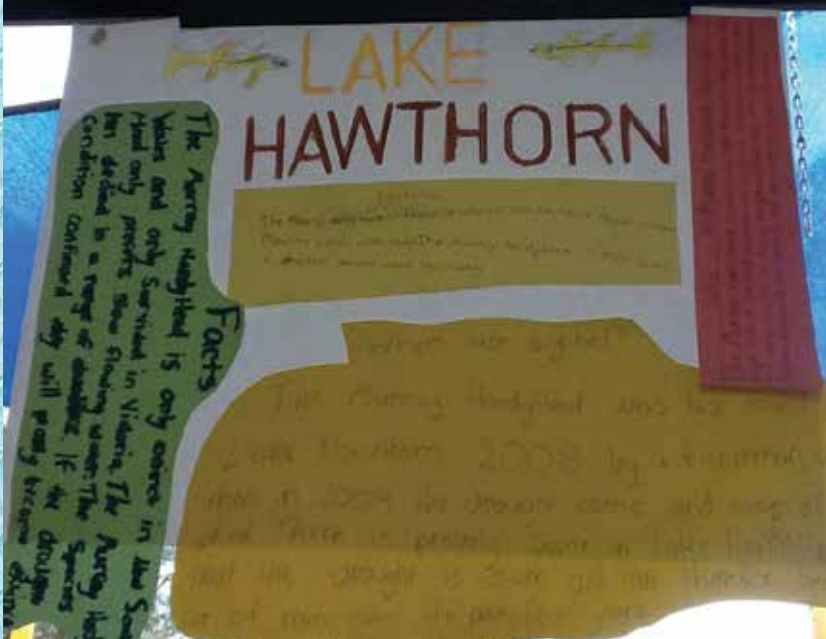

Murray Hardyhead

The Murray Hardyhead is a small fish. The Murray Hardyhead is only 76mm long. The Murray Hardyhead likes to live in shallow muddy water where they can hide from their enemies. The Murray Hardyhead was last sighted in 2008 because of the drought. In 1913 there was an abundance of Murray Hardyheads.

They have two separate, small dorsal fins (the first with 4-7 spines, the second with one spine) and 5-8 rays. The Murray Hardyhead got released about a month ago into the Koorlong Lake. They were so tiny! Brooke Smart, Year 5/6F

Because they are becoming extinct we wanted to help it to stay alive and we did different activities to save the Murray Hardyhead!

It has been an enjoyable experience learning about our local endangered fish! A book is going to be produced with some of our artwork, stories and photos to highlight The Murray Hardyhead.

Year 5 & 6 Mathematics

We had a competition to try to find as many BODMAS problems and fill in the calendar with our names!

Working in pairs to find the answers.

Working on our volume and capacity.

Am I that tall?

Now it's your turn!

We had many occasions where we were able to complete hands on maths activities.

On Monday 17th September both our 3/4 and 5/6 choirs sang splendidly at the annual Mildura Eisteddfod. The students and Miss Toni practised during many recess and lunchtimes.

Parents and staff in attendance marvelled at the respective performances. Our 5/6 choir achieved first place in their section which was a highly commendable result considering the choral section included many of the larger primary school choirs. In addition we were absolutely thrilled to be this year's proud recipient of the Charlotte Harvey Memorial trophy for the best performing choir in all sections. What an honour for our students and The Lake Primary School! The 5/6 choir was also invited to perform at the annual Eisteddfod Gala Performance which was conducted at The Mercy Theatre.

The Alpha Show

Little Mermaid saved the prince

Incredible singer

Tries to be human

The witch stole her voice

Loves the prince

Evil witch nearly married the prince

Mermaids need to stay in the water

Excellent at swimming

Ran away from her father

Made a deal with the witch

Ariel learnt to tell the truth

It was excellent

Don't miss the Alpha Show!

The Alpha Show is fabulous

Happy time watching the show

Everyone laughed and had fun

A lot of good characters

Little Mermaid was the show we watched

People danced and sang

Heaps of noise

Awesome costumes

Show was about saying the truth

Had a sword fight

Out of this world

Wow, we love the Alpha Show.

Acrostic poems by Grade 1 /2K

The Lake School always enjoy
The Alpha Show. This year we
saw The Little Mermaid on
Thursday 19th April.

School Cross Country

The school cross country was on Thursday 28th of June. It was a fun day. Both teams did very well but Sturt was fortunate enough to win. Well done Sturt! Bad luck Chaffey. Everyone had loads of fun.

By Chloe Storer

Inter-school Cross Country

The inter-school cross country was on Wednesday 23rd May, in Mildura. The track was 3 kilometres long. Lots of schools participated. Our school was fortunate enough to take 4 people to the next level at St. Arnaud (Jemmasyn, Mia, Joseph and Kyle). Everybody did their best.

School Athletics Carnival

Congratulations to this year's winning sports house Chaffey, who scored 1105 points to Sturt 1050. Age group champions were:

AGE	GIRL	BOY
Prep	Angel Pollifrone	Alex Hollingworth
6yo	Poppi Evans	Kurtis Fitzpatrick
7yo	Lola O'Connor	Trampus Keenan
8yo	Taylah Harding	Sebastian Pollifrone
9yo	Mia Dunbar	Raiden Wakefield
10yo	Sarah Lando	Cooper O'Connor
11+	Jemmasyn Jeffries	Kyle Stevens

Cluster Athletics

The Lake Primary was well represented in the Age Group Champions photo above.

On the 25th of September The Lake Primary School participated in the Kenny Park Cluster Athletics alongside Our Lady's and Werrimull. It was a fantastic day with fantastic achievements from the Lake Primary School. Many students participated in the Athletics Day and did a fantastic job and tried their absolute hardest. The Final scores were: 1st - The Lake Primary - 1090 points; 2nd - Our Lady's - 1017 and 3rd- Werrimull- 923. All 3 schools had a really fun time and it was an awesome day!

By Ellie Maiorana and Lilly Fitzpatrick

Lilly Fitzpatrick was 'jumping for her life' in the long jump event.

Miss Moulds and Mrs Kelly had a difficult time judging placings in the champions sprint! Campbell Brown from Prep Z flashed down the inside lane.

School Captains Brandon Pollifrone & Ellie Maiorana were delighted to speak on behalf of the students after The Lake Primary achieved first place in Wednesday's Cluster Sports Day.

THE LAKE PRIMARY

INTERSCHOOL SPORTS 5/6.

In term 2 The Lake Primary 5/6 students and also some year 4 students got the opportunity to either compete in the football team, soccer team or the netball team. We played against Our Lady's, Nichols Point, Merbein P-10, Irymple South and Irymple. The soccer team was particularly successful. All students put in their best effort. We all had lots of fun.

In term 3 students had the opportunity to go to Nichols Point to compete in either basketball, softball or volleyball. We competed against Our Lady's, Nichols Point and Irymple South. Unfortunately none of our sporting teams qualified to go on to Swan Hill and compete. All of the students that went enjoyed themselves and put in a lot of effort even though it was absolutely freezing cold. We also had lots of parental support throughout the day to assist with umpiring and coaching.

Mini Olympics

The Mini Olympics was held on the 15th of August. There were 25 people from the Lake Primary who entered. They were:

Brandon Pollifrone: 100 and 200m sprint

Lachlan Cavallaro: triple jump and tennis ball throw

Kyle Stevens: 100m, long jump and relay

Jackson Pollifrone: 800m, 200m and relay

Emerson Duffield: high jump, long jump and relay

Nathan Pearson: high jump and long jump

Jemmasyn Jeffries: 100m, 200m sprint and relay

Will Kortakaas: tennis ball throw, high jump and relay

Chloe Storer: shot put, triple jump and relay

Lilly Fitzpatrick: tennis ball throw and relay

Sam Green: shot put, triple jump and relay

Danika Moisis: tennis ball throw and high jump

Brooke Smart: long jump and triple jump

Sarah Lando: 100 and 200m sprint

Ethan McNair: shot put and discus

Simone Palamara: shot put and 800m

Mia Dunbar: long jump, 1500m and relay

Cooper O'Connor: 200m, high jump and relay

Cody Bourke: hurdles and long jump

Bella Curran: triple jump and cricket ball throw and relay

Mackenzie Farr: hurdles, 100m and relay

Briana Hibberd: 200m, high jump and relay

Joseph Pollifrone: 800m and relay

Raiden Wakefield: cricket ball throw, 100m and relay

Angus Rogers: triple jump and 1500m

By Brandon Pollifrone

On the 15th of August 2012 some students from grade 4-6 went to the Mini Olympics to compete in events. I competed in high jump and came 3rd and long jump and came 4th. I really enjoyed going there and competing because it got my confidence up and I felt really proud of what I achieved that day.

I thought everyone did a great job and they should be very proud.

There were a lot of events like sprints, shot put, discus, hurdles and the two events I competed in, long jump and high jump.

I really enjoyed that day and I wish I could do it again!

By Emerson Duffield

Congratulations to the following students for qualifying for the Regional Athletics finals in Bendigo

Jemmasyn Jeffries—100m and 200m

Kyle Stevens—100m and long jump

Jackson Pollifrone—800m

Cooper O'Connor—200m and high jump

Mia Dunbar—1500m, long jump and relay

Cody Bourke—hurdles

Ethan McNair—shot put and discus

Mackenzie Farr—200m and relay

Briana Hibberd—relay

Bella Curran—relay

Unfortunately Mackenzie and our relay team were not able to attend the day.

All students tried their best and represented our school with great pride and sportsmanship.

Regional Athletics Bendigo

We had three students who qualified for the state championships in Melbourne. They were:

Jemmasyn Jeffries—200m and 100m sprint

Mia Dunbar—long jump

Cooper O'Connor—high jump

Athletics State finals – Melbourne

Well done to Mia Dunbar and Jemmasyn Jeffries for their great effort in preparing for the state finals in Melbourne and for trying their best on the day. Unfortunately Cooper O'Connor could not compete as he had the chickenpox.

Mia Dunbar did extremely well coming 12th in long jump.

Jemmasyn Jeffries ran exceptionally well in both 100m and 200m sprints coming 9th in both.

Swimming Program

At The Waves, Brandon and I had to have a race putting on a life jacket and then swimming. Then we had to take it off and give it to the next person on our team. We did this to help us learn how to swim in the river for our safety.

Gemma Symes, 5/6F

At The Waves, Abigail and I were practising our survival skills with Mark, our swimming teacher.

He showed us a little lesson about survival. We had to race each other in life jackets to the finish. It was so we could swim quicker to the shore if we fell in the water.

We all had lots of fun with Mark and his activities. It made us more confident! Jackson Pollifrone, 5/6F

After our lessons on Friday, we got 15 minutes in the wave pool. Everyone sprinted into the pool! We had a great time. After the waves went off two sprinklers and bubbles came on.

Aydn Assimakopoulos, 5/6A

On Monday 15th October, The Lake School had their swimming program at The Wave Pool. We all had to get in two lines then we had to swim to where our levels were. Our group instructor was Kath. We had to do several things in and around the pool on Wednesday. We went from Monday to Friday. On the last day we got to go into the waves! Will Kortakaas, 5/6F

T20 Cricket

On the 7th of November we had a tournament called T20 cricket. The boys competed against Irymple South, St. Paul's, Mildura West and Red Cliffs. They won two games and lost two games. The girls competed against Irymple South, Our Lady's, Mildura West 2 and Mildura West 3. They won three out of the four games. Overall, the girls came 3rd and the boys came 4th. It was a great day. Good job guys!

Indonesian Activities Morning

Yesterday we had Indonesian Day and we had activities. There were lots of activities. We did the warrior dance and we made sharks. We had a go on the iPads too. We learnt Indonesian words and then we made masks. Ethan

On Tuesday it was Indonesian Day. We had six activities at school. All the teachers were doing the activities and we had numbers on our hands to know what group we were in. It was really good fun! Ruby

Yesterday it was Indonesian Day. We had to do activities. There were six. My favourite one was the dolls and then we made fried rice with Ms McNair. In Mr Field's room we made fish and crabs. Antonio

Naidoc Day

Book Week

Our annual Book Week activity morning was held on Thursday the 23rd of August. This year's theme was "Champions Read".

The winner of the picture story book section was "A Bus Called Heaven" by Bob Graham.

The Lake's Got Talent Community Evening

This year's Welcome Evening once again incorporated the highly popular Variety Concert. Approximately 250 dedicated adults and children braved the very cool Friday evening conditions to enjoy a great night's entertainment. Thirty two acts graced the stage. The younger students enjoyed the Fun Castle! It was noticeable that the standard had risen from previous years. The large appreciative audience enjoyed the variety on show which clearly highlights that The Lake indeed has some very talented members in its school community!

Spud Olympics

Spud Olympics was a fun day where students decorated a spud and created a character profile for it. They then participated in a range of mathematical games. Some of the events included spud roll, target throw, spud vaulting, golf and spud bowling.

Buddies

This year in Buddies the year 5 and 6 students have created fun sessions for the preps, such as games and art. They have also assisted the preps in maths and reading. Buddies is a great way to assist preps in becoming comfortable and feeling safe knowing they have an older friend they can talk to. Buddies helps develop grade 5 and 6 students' leadership skills. It also brings the school community together.

Our 2012 Magazine Front Cover

It's always tough selecting the front cover of our school magazine as we have such a talented group of children at The Lake School. Congratulations to the following finalists from each grade. This year it was SO hard to pick a winner we decided to include our winner on the front cover and our runner up on the back. Well done to Isabella and Abigail whose designs were picked for our 2012 School Magazine. Great work everyone!

School Vegetable Patch

Our school vegetable patch has been functioning since term 2. The year 5/6s have their own gardening group and have been working hard preparing the patch and planting the vegetables. We have planted all types of foods such as.....snow peas, corn, pumpkin, strawberries and onions. Each person in the gardening group has their own job to do every lunch time and they are proud to do it.

Somers School Camp

"Experience for a lifetime"

Kadiesha, Nathan, Oscar, Will K and Chiara all went to Somers Camp for 9 days on the 17th of April with Mr Field and some other kids from different schools. Chiara was in hut 5, Kadiesha hut 3, Oscar hut 8, Will hut 2 and Nathan was in hut 4. We did activities like surfing and going to the Environmental Studies Room (where we learnt about animals and where they live). We also had Bike ED and they taught you how to ride a bike. They had a low ropes course and high ropes course. We went to the beach and saw two dolphins circling a boat. My favourite thing about Somers Camp was we didn't have to make our own breakfast, lunch and dinner because it was made by the chefs. Oscar and I were in dining room 2 and Kadiesha, Will K and Nathan were in dining room 1.
