

WITH THE LAKE 2011

Principal's Page

Another exciting year has slipped by and it gives me great pleasure to welcome you to our 2011 School Magazine. This year's glossy production has been expertly printed by local firm Sunnyland Press. My congratulations to Mrs Bacon, Ms McNair, staff and students for their outstanding contributions to ensure that this highly valued keepsake has been produced in time for the end of the 2011 school year.

What an exciting and eventful school year it has been! The students, staff and parents watched in anticipation as the \$1.35 million BER/BST building project was completed in the final weeks of Term 1. My sincere thanks to Duncan Pye and his team at CIGG for all their support and building expertise. The funding involved \$500,000 from the State Government as part of the 'Better Schools Today' initiative and an \$850,000 Federal grant as part of the 'Building the Educational Revolution' funding. An official 'Recognition Ceremony' was conducted in the first week of Term 2. School Leaders, Stephanie, Tye, Cal, Brittany and Emily were magnificent coordinators of this community event and impressed all visitors and community members with their poise, confidence and maturity. The 5/6 students re-located into their new modern classrooms in the final week of Term 1 and as the year has progressed the value of the flexible learning spaces and new Interactive whiteboards has been enormous and greatly enhanced the educational opportunities for all students. New shade sails in the Term 2 vacation completed the impressive building project.

At the commencement of the new school year we welcomed an influx of new teachers to our school. Mrs. Jackie Walsh, (Leading Teacher & Yr 6) Mrs. Merryn Zeppel (Prep), Miss Amanda Moulds (Yr 2) and Miss Cara Aghan (Yr 5). Long serving teacher Mrs. Teresa Jordan retired after outstanding service to The Lake Primary School and was replaced by Mr. Matthew Baker in Yr 4 at the start of Term 2. Mrs. Robyn Bacon continued her capable efforts in her role of Business Manager. Once again Miss Toni Hamence provided super support in a variety of important roles including spearheading another successful Mildura Eisteddfod choir campaign with our 3/4 choir claiming first place and our 5/6 choir gaining a commendable second place. Mrs. Kristen Wade moved into a shared Prep teaching role with Ms Georgia McNair and really enjoyed the new challenge after many years as a Physical Education Specialist. Mr. Carl Field capably stepped into the Acting Principal role for 5 weeks in Term 2 and thoroughly enjoyed the leadership opportunity. Ms Tracy Kerridge provided sterling support for our allergy students. Ms Georgia McNair worked diligently to coordinate the JSC, School Magazine, Mildura Show art entries, student calendars to name a few of her important roles. Mrs. Marg Eckert has conducted highly worthwhile Reading Recovery and Indonesian programs. Mrs. Jackie Walsh provided enormous support to the teachers as our Literacy Coach and superb leadership in the Leading Teacher role. We were very fortunate to have the services of Mrs. Melissa Kelly in Yr 6 each Thursday.

Congratulations to our students who excelled throughout 2011. Highlights included our school achieving first place in the Merbein District Cluster Athletics Sports. My thanks to Mrs. Trudi Dunbar for her efforts in teaching Physical Education in Term 3. Trudi was also instrumental in skilling up our P-6 students in bush dancing which culminated in a Community Bush Dance in the final week of Term 3. This year's 'Welcome Evening' incorporated 'The Lakes Got Talent' Variety Concert which was extremely popular with students and was supported by a large and appreciative audience. The Year 5/6s enjoyed a fabulous 5 day Major Trip to Canberra and Year 3/4 students visited Swan Hill and enjoyed the educational value provided by the Pioneer Settlement. Tennis Coaching, Instrumental Music sessions involving guitar, drums and keyboard opportunities were available. The JSC students organised a number of student fundraisers with the after school discos proving to be very popular! Grandparents' Morning attracted over 100 grandparents which was an amazing level of support. Tree Planting, Allergy Awareness Week and Indonesian, Book Week Celebrations and NAIDOC Activity mornings were fun events for our students.

My thanks to the supportive Parents Club who have been very active in their fundraising efforts. The inaugural Lake School Ball at the Settlers Club raised \$7,000 which was allocated to an exciting new playground equipment project in Term 4. Our School Council continues to provide fantastic support and direction for our school.

Finally my sincere thanks to all students, staff and parents for their valued contributions to another successful year for our school. Best wishes to our Year 6s as they move onto the next stage of their educational journey. A big thank-you to families who may also be leaving our school community. With increased enrolments in 2012, including over 40 Preps, our future is looking very positive and we look forward to continuing to share the educational partnership and '*Sail towards Success.*'

- Rod Pearce, Principal

School Council President report:-

With another school year passing us by, 2011 has certainly been one that will see The Lake Primary School moving forward into a very exciting future.

With our student numbers on the steady rise there has been no better time to expand our facilities than now and we have had the wonderful opportunity this year to have the official opening of our new building. New equipment has had to be purchased to accommodate the new classrooms and new computers will be on the way shortly ready for 2012. What a great achievement!

One of the most fun events for the year has been the Masquerade Ball and those who attended will tell you that it was a huge success. It will be a great template to use for future events. The fact that we were able to have the students feel involved by offering the masquerade disco really made it a whole school effort!

With thanks to all of these fundraising efforts, by the end of 2011 we should have a brand new play area installed at the front of the main building. This area in particular will be a real focus for re-landscaping and it is going to be fantastic to see the faces of the students when they have their first opportunity to use the new equipment.

I would like to personally thank all of the teachers and staff for their relentless dedication to improving student outcomes. It has been wonderful to see all of the smiling faces around the school and the active involvement you have had, even when it is in your own time - the parents and students really do appreciate it!

Thank you council members for giving personal time, to assist the school in moving forward with positive projects that will benefit the school for many years to come. School council is an extremely effective way for parents to learn about how the education system works and also builds new friendships and professional relationships that help with a child's education.

Well done to Parents' Club and all the family members who have supported the fundraising activities and general support roles within the school throughout 2011. Again, this is an activity that builds lifelong friendships and has a real effect on student wellbeing and school resources. Our school has been very lucky over the years to have families that can just jump in and help out when needed; without you we would get nowhere.

Finally, I would like to say "Congratulations" to our Grade Six Graduating class and to all the teachers that have been involved in these students' education and welfare over the past seven years. It has been an honour to know all of you and there have been some wonderful memories created. Good luck with your move into Secondary College and remember to "Sail to Success" and don't forget the tiny school that helped you set sail into the big wide world.

Have a safe Christmas and wonderful 2012 everyone. Kim Trigg, School Council President

Parents' Club President Report:-

The Lake Primary School Parents' Club has had another fantastic year of fundraising in 2011. Our income that we have raised during the year will exceed \$19,000 and we have made some worthwhile purchases. At the beginning of the year \$1300.00 was given to Mrs Walsh to upgrade some of the literacy books for the senior classes as well as another \$1300.00 to update the guided reading for our younger grades for next year. A bain-marie was purchased for our kitchen at a cost of around \$2500. New goal post padding was sourced by Mrs Bacon in our school colours and look fantastic. A new electric keyboard worth just over \$1000.00 was another purchase for when Miss Toni has her choir practice and music lessons. A cash donation of \$500.00 was given to School Council as a major prize for their Masquerade ball. Just recently we have pledged \$4000.00 to help with the new playground area in front of the main school building.

This year Parents' Club have catered for a couple of night time functions at school. We had another very successful Pie Drive thanks to Kerrie Cooper as well as our very popular Wednesday lunch days. We have had one Bunning's BBQ which was our best one to date. Our raffles at Easter, Mothers' Day, Fathers' Day and Xmas always do well.

I would like to thank all the Parents' Club committee for doing a great job all year. Thankyou to the parents who have come along on a Wednesday to help with lunches, cooked a BBQ on sports day, or donated their time in some other way. To Leonie Storer and Wendy Fitzpatrick, thankyou for doing all the shopping and wrapping for our raffles and stalls each term. It makes my job a lot easier. A big thank you to Robyn Bacon who helps so much behind the scenes; without her help we would all be lost.

Thanks for all your support in 2011, and let's hope 2012 can top it.

Desilee Farr, Parents' Club President

Being School Captains of The Lake School

This year being School Captain has been a huge achieved goal for me. Being School Captain has made me into an improved leader. I am able to do assembly on Monday mornings and to do speeches on days like sport days and other particular days. I have also been to an Impact Leadership day at the Grand Hotel and talked about leadership skills. When we were there, one of the guys asked us to find people who could do things and I put my hand up. I came 3rd.

Tye Assimakopoulos, School Captain

I believe it has been an honor being 2011 School Captain for the Lake Primary School. I love being a fantastic role model for the school as well as all the other leaders. I love going to the excursions that only school captains and vice captains were allowed to go to. The excursions were interesting and helped me become a better leader. It was great to go to the 2011 Leadership Conference and the Remembrance Day Ceremony. Being School Captain helped me become a better public speaker.

Stephanie Lando, School Captain

This year I was given the role of School Vice Captain for 2011. The best reasons to be School Vice Captain are getting to represent the school in special events like Remembrance Day, going to the leadership program, speaking at assembly and lots of different events throughout the year. It was a honor being School Vice Captain this year. I have really enjoyed doing the job in 2011.

By Emily Ferguson School Joint Vice Captain

This year being a School Vice Captain has been an honor for me and I've learnt a lot about leadership. I've become more confident in public speaking and achieved a lot. Being a leader is fun because you get to lead by example and be a role model. Also you get to go on fun excursions where people teach you all about leadership. My best two highlights were going on an excursion to Mildura where people taught us about leadership and my other highlight was laying a wreath at Kenny Park.

By Cal Klaassen, School Vice Captain

Hello everyone, my name is Brittany Cooper and this year it has been an honor to represent the Lake Primary School as Vice Captain in 2011. It has been a great experience meeting new people and learning new things. I have more experience and leadership skills now that I have had the opportunity to face my fears and represent our school. The highlights for me were the Remembrance Day in Merbein, the Leadership Conference in Mildura and making a difference at this school. Also having my name on the honor board in the MPR and people saying 'Oh I know Brittany she was a great leader.' I hope someday someone will say that about me. So thank you for taking the time to read my letter about being School Vice Captain.

Sturt

This year I have had the opportunity to be Sturt House Captain. It was a great experience for me. I now feel really confident putting my hand up for leadership roles for high school.
By Indi Robertson, Sturt Captain

The Sturt Captain role is very important because you have to be cheerful and guide your team all the way to victory. All the sports house captains tried to do that. Being House Captain is a fun role to have.
Joseph Zappia, Sturt Captain

This year I had the privilege of being a Sturt Vice Captain. Being a school captain is all about responsibility and having a good time and being a role model. I had a great time being a captain even though I didn't get to do that much. I had fun organizing all the other classes in the school athletics. I had great fun and I hope the next captains do too.
By Jaylin Grimmer, Sturt Vice Captain

I'm Amy Trigg, the School Vice Sturt Captain and it has been really fun this year. As a captain I have been cheering on people, not just in sport but in other things. I can be a leader in other things as well - like if someone is hurt in the playground I'll help them to the office; if someone doesn't understand something I will explain it to them. And you don't even have to be elected a leader to be a leader.

Go0000

Chaffey

It has been a great honor being Chaffey House Captain and thanks again for voting for me. I have learnt a lot about leadership. It was a great feeling being the captain of a house that won the Athletics Sports Day Carnival. I have also learnt that you don't have to win to be a winner—all you have to do is try your very best. Best of luck to the new Chaffey House Captain.
PS Go0000000000 Chaffey. Lochie Symes

Last year when I got called Chaffey Captain I didn't believe that I won but I guess anything could happen if you just try! And I can't wait until I get to call out the next set of captains. I absolutely loved winning the carnival sports day because it felt so good standing up there saying, "Too bad Sturt, we bet you finally!" We also won the carnival at Kenny Park. The Lake School came first out of three other schools. It rocked!

Shannon May Stevens

I've had great time being Chaffey Vice Captain. It's great because you get to be involved in the school sports more and you get to encourage a lot more kids in inter-school sports. This year I got to help prepare the school's cross country and measure how far we had to run. We also got to guide others to do what they are supposed to do and we got to do things that sometimes no one else will ever have the chance to do. It has been a great honor being Chaffey Vice Captain. Georgia Burt

Bush Dance

We had a great time dancing at the Bush Dance in term 3.

Anyone for cricket?

Mr Pearce with his new friend Ribbit!

The boys on the aeroplane

Grade 5 & 6 2011

Icy-poles and drinks at The Dog on The Tucker Box

The Australian War Memorial

Some of the crew on the bus

The Grade 3/4 Camp to Swan Hill was a blast, we got to dress up, ride in a horse drawn cart and go mad with a hammer. We learnt about how things used to be done in the old days and I never knew we had it so easy.

They used to have to build all their own houses, not only that but gather and cut the wood as well. They did the washing by hand and it took half the day just to get one load done.

We also learnt about aboriginals, blacksmithing and schools way back then. Did you know, you weren't allowed to smile in school photos and that you could have got the cane for talking back to the teacher? So glad that's changed.

It was all great fun, but the best part was when we got to have a look around, we patted a goat, rode in an old buggy and even got to lock up Mr Field. By far the best part out of everything was buying the lollies and other souvenirs.

Grandparents' Morning

It was lovely to have our grandparents visit us at school. First they looked around the school. Then they came to our rooms and joined in games and activities.

MASQUERADE BALL 6 August 2011

Our ball, which was held at the Setts, was our Major Fundraiser for 2011. Everyone who attended had a fantastic time. Thanks so much to the girls who put countless hours into planning, organising and chasing donations, setting up and cleaning up. Money raised has gone towards our new playground area.

5/6 CHOIR

SCHOOL CHOIR CONTINUE TO SHINE!

On the 20th of June 2011 the year 3/4 and 5/6 set off to the Fisteddfod to show them what we were made of. It felt like forever, but then they called "The Lake School". They called year 5/6 up and we sang "light a Candle" and "The last Anzac". The winners were Mildura South and Trinity College, second place went to The lake and St Pauls. By Lilly Fitzpatrick

Aladdin

Each year The Alpha Show returns to our school with a fabulous performance. This year it was Aladdin. Everyone from Prep to Grade 6 (and the teachers) enjoyed the show. We can't wait to see them again next year.

Captain Fantastic

Captain Fantastic was a show about recycling. We learnt to help keep our planet clean and green by reducing rubbish, reusing and recycling. Bella Curran helped to save us from the evil guy!

This year we had an Epiman competition and a Superhero Friday where we dressed up and had lots of fun. We also learnt more about being allergy aware.

How can you be a hero?

- By not bringing foods with nuts as a main ingredient e.g. nut muesli bars/ peanut butter to school (enjoy them at home).
- By not sharing food at school
- By eating in class and designated outdoor areas- not eating while playing.
- By washing hands after eating.
- By getting help when needed.

Cross Country

On the 30th June 2011 The Lake students participated in the school cross country. Well done to Sturt for winning for the 8th consecutive year.

WELCOME EVENING/ 'THE LAKE'S GOT TALENT' VARIETY CONCERT- MARCH 18TH

This year's Welcome Evening incorporated 'The Lake's Got Talent' Variety Concert. Approximately 250 adults and children attended. We had 27 enthusiastic acts! The students clearly demonstrated that they had rehearsed their items thoroughly. Overall it was a top event and the quality of the items showcased the hidden talent existing in our school community. The Parents Club worked tirelessly in the kiosk and raised approximately \$350 which was a commendable effort.

Chloe, Isabella, Breeze, Ellie and Indianna kick up their heels on stage!

Mia and Trudi Dunbar look the part in their Candyman dance routine!

The skateboard routine was another highlight!

NAIDOC Week celebrations are held across Australia each year to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander people. We participated in a range of activities to support our local Aboriginal and Torres Strait Islander community.

Sammy

I have a dog called Sammy
He has fleas & also happy
He won't bite unless you fight
Children get a fright
He likes people just like you
BUT he will chew your shoe
Don't get in his way
He likes to play
And that's the lovely story of
my dog called Sammy!

Trees

Cut them down

Use them up!

Type and write!

Trees are good

In our neighbourhood

Great to climb

Dying trees

On the river bank

We need trees

Native trees are big

Tremendous trees

High trees

Everybody loves trees

Take care of trees.

What did the grape say when the elephant sat on it?

A: Nothing, it just let out a little whine!

Why did the elephant paint his toenails yellow?

A: So he could hide upside down in the bowl of custard!

Buddies

The Preps and their Year 5 buddies have engaged in a number of activities which has provided opportunities to foster peer mentoring and positive interactions. The Year 5 buddies have provided help, assistance and guidance to undertake tasks and experiences which the Preps would find challenging for them to complete independently. All of the activities were extensions on curriculum themes being studied throughout the year. The activities were:

- The use of the computers and engaging in the Mathletics website
- The use of the school library and reading library books
- Biscuit icing
- Making lamingtons
- Year 5s planning games and activities for the Preps
- Card making

Making Lamingtons

On Friday we made Lamingtons. We got a piece of cake, covered it in chocolate and then we covered it in coconut. We said goodbye to our buddies. It was fun.

By Chelsea

On Friday we had buddies and Miss Aghan read us Possum Magic. Then we made gooey chocolate and dipped cake into coconut and then we ate the Lamingtons.

By Mathias

On Friday we made Lamingtons with our buddies. They were very yummy. People made a mess on their faces. First we got our pieces of cakes, then we dipped them in chocolate icing. After that we put them in coconut. Then you're finished.

By Antonio

On Friday we made Lamingtons and it was fun. We chose a piece of cake. Then, we dipped the piece of cake into the chocolate icing. Next, we put it in the coconut. Then we ate them all up! After that we got free time on the playground.
