

# The Lake Primary School

## *Student Management Policy (2023)*

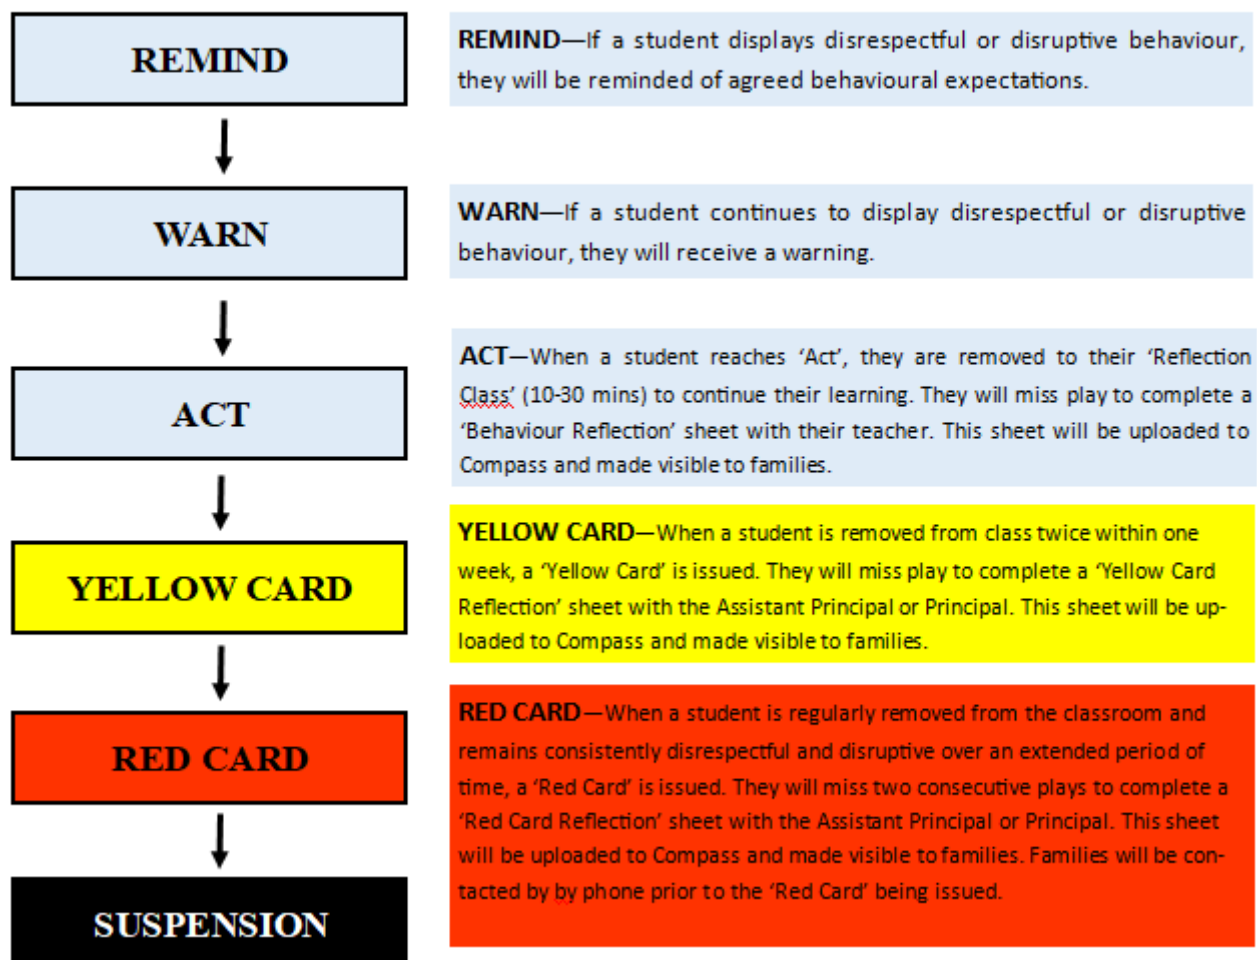

The Lake Primary School aims to provide a safe and secure learning environment for all members of its community – students, staff and parents. Each person is expected to treat others with respect, honesty, courtesy and consideration.

Every child has the responsibility to accept, relate to and understand the feelings and beliefs of others. They are encouraged to develop self-discipline and to take responsibility for their actions both in the classroom and out in the playground.

The 'Student Management Policy' aims to assist students to monitor their behaviours, both positive and negative, and the impact on themselves and others. **Our approach reflects our school values - Respect, Tolerance, Resilience, Learning and Success.**

### Student Learning—Behaviour System

- The 'Behaviour Flowchart' will be reviewed and displayed in every classroom. Students are encouraged to monitor their own behaviour.
- Each class will establish classroom expectations at the beginning of the year and all students will be made aware of the consequences relating to disrespectful and disruptive behaviours.
- Positive behaviours are recognised on Compass via a 'Green Card'.
- Consequences may be different for students on Individual Behaviour Plans.

### Card System:

- When a student receives a 'Red Card', they will complete a 'Reflection Sheet' during playtime with the Principal or Assistant Principal.
- Classroom and playground behaviours are linked to appropriate consequences. Consistency across the school is essential.
- Where possible, before uploading a 'Red Card' on Compass, parents/guardians will be informed via a phone call from either the teacher, Assistant Principal or Principal.
- Specialist teachers and teachers on yard duty are responsible for issuing 'Yellow Cards' and 'Red Cards', making contact with parents/guardians and informing classroom teachers.
- CRT's are not to issue 'Yellow Cards' or 'Red Cards'. Rather, they are to inform the Principal or Assistant Principal.
- Teachers are encouraged to document other important student information on Compass using a 'Grey Card' (General Observation).
